Kedarnath • Badrinath

Premium Helicopter Pilgrimage Experience

APR – OCT 2026 | 1 Day • Dehradun to Dehradun

OVERVIEW

The Journey

High in the Garhwal Himalayas of Uttarakhand lies a pilgrimage that blends devotion with the grandeur of nature — a sacred journey to Kedarnath and Badrinath. For centuries devotees have travelled through these mountains seeking blessings, peace and a deeper spiritual connection.

The journey begins with Kedarnath, one of the twelve Jyotirlingas of Lord Shiva. Nestled among towering peaks beside the Mandakini River, the temple stands as a symbol of faith and resilience. From Kedarnath the journey continues to Badrinath, the abode of Lord Vishnu, along the banks of the Alaknanda and framed by the Nar and Narayan ranges.

This same-day itinerary compresses that entire circuit into one carefully sequenced flying day — no overnight halts, no road strain, and priority darshan arranged at both shrines.

ROUTE

Dehradun → Sitapur / Phata → Kedarnath → Badrinath → Dehradun

DURATION	TEMPLES	SEASON	FROM
1 Day • Dehradun to Dehradun	2 Dham	APR – OCT 2026	INR 1,50,000

ITINERARY

Day by Day

MORNING

Dehradun → Kedarnath

Early morning take-off from Sahastradhara Helipad, Dehradun at 07:00 AM towards Sitapur / Phata. As per government regulations a helicopter change is required at Sitapur, followed by a shuttle flight to Kedarnath. On arrival, special VIP darshan passes are arranged for a smooth and priority visit to Kedarnath Temple. After darshan, depart Kedarnath at 10:00 AM back to Sitapur / Phata, followed by the onward flight to Badrinath, arriving around 11:00 AM.

0700 HRS	Departure from Sahastradhara Helipad, Dehradun
1000 HRS	Departure from Kedarnath to Sitapur / Phata
1100 HRS	Arrival at Badrinath

AFTERNOON

Badrinath darshan

Arrival at Badrinath Helipad, followed by assisted transfer for the temple visit. After completing darshan at Badrinath Temple, proceed to Sarovar Portico for lunch and relaxation.

EVENING

Badrinath → Dehradun

After lunch, transfer back to the helipad for the return journey to Dehradun. Arrival at Dehradun marks the end of this divine and memorable heli-tour.

PASSENGER GUIDELINES

Before You Fly

Fixed flight timings

The tour operates on fixed daily departure times for each destination. Passengers must adhere to the scheduled Estimated Time of Departure (ETD) for each day. Failure to do so will be marked as a NO-SHOW.

Infants and children

Children above the age of 2 years are considered a full ticket. Infants below 2 years / 12 kg travel free of charge. Age may be verified against a birth certificate.

Identification

Aadhaar card copies must be shared by all Indian passengers; a passport is required for foreign nationals.

Darshan access

All helicopter passengers are permitted VIP darshan from inside the temple. Where the administration imposes restrictions on darshan inside the Garbha Griha due to heavy rush, darshan is performed from outside only.

Medical fitness

Guests are advised to obtain a fitness certificate from a doctor before travelling to high-altitude sectors. The right is reserved to refuse carriage to any person considered unfit for travel or a risk to the aircraft or persons on board; no refund is applicable in such cases.

Personal preparation

Carry a small oxygen bottle as a precaution — it is available locally at medical shops. Day temperatures are normal but nights are cold, so woollens are essential. Carry your own medication. Insurance coverage is not provided; pilgrims are strongly advised to arrange their own. All baggage and personal belongings remain the responsibility of the client at all times.

Donations and porterage

Any donations, tips to pitthu, palki/pony and porter charges are borne by the passengers. Dedicated ground crew is present at each Dham for guidance and assistance.

WEIGHT POLICY

Passengers must provide accurate body weight at the time of booking. Any weight discrepancy discovered during travel that exceeds the aircraft weight capacity of 450 kg will result in the affected passenger(s) being de-boarded, with the heli-tour cancelled for them without refund.

Weighing at the time of boarding is mandatory. The pilot will not allow boarding if weight exceeds what was conveyed at booking, and passengers may be shuffled between aircraft to manage safe weight distribution in the hills.

Excess weight is charged at INR 2,000 per kilogram for passengers above 75 kg. Any variance is collected either at the hotel after weighing, before the day of boarding, or at the helipad prior to boarding.

BAGGAGE ALLOWANCE

Only 2 kg baggage per passenger is permitted. Large suitcases cannot be accommodated — baggage space inside the helicopter is very limited, and duffle bags are provided during briefing. Baggage allowance is based on the total body weight of the group; if the combined body weight exceeds 450 kg, additional charges apply for transporting excess luggage by road, shared among all passengers in that helicopter.

WEATHER & OPERATIONAL ADVISORY

Flying In The Himalayas

Helicopter flying in hilly terrain is adversely affected by unpredictable factors: adverse weather, delayed air traffic clearances and permissions, VVIP movements, valley flying by the Indian Air Force (NOTAM), sudden technical issues, illness of the flying crew, or delayed reporting of passengers at the helipads. Passengers should be prepared for unexpected events and inconvenience in such scenarios.

Any extension proposed by passengers is considered only at extra cost and subject to operational viability. Additional night halt charges arising from bad weather or force majeure are payable by passengers directly to the hotels.

If guests stranded at any Dham choose to cancel and descend before their scheduled return date, road transport can be arranged, but the cost is borne by the guest on a direct payment basis. No refunds apply where guests cancel and return mid-tour.

OPERATOR RESPONSIBILITY

All helicopter flights are operated by licensed third-party aviation operators. The assigned operator remains responsible for aircraft operation, airworthiness, crew, technical matters, flight safety, weather-related flying decisions, operational delays, aircraft changes and cancellations. ASR Aviation acts as the booking, coordination and concierge partner.

CANCELLATION & RESCHEDULING

Terms

- Before 30 days — INR 10,000 per person
- 30 – 20 days — 25% of total package cost
- 20 – 10 days — 50% of total package cost
- 10 – 0 days — No refund

FORCE MAJEURE & BAD WEATHER

If the journey is not completed within the stipulated time and passengers are unable to visit one or more Dhams due to bad weather or technical reasons, an attempt will be made to complete it the next day. If that is not possible, liability is limited to a refund of unutilised sectors.

No compensation or reimbursement is provided for accommodation, transportation, meals or any other extra travel expenses in the event of a flight cancellation.

If departure does not take place from Dehradun for any of the above reasons, the tour is considered cancelled and refunded as per policy. Guests may instead reschedule for the next available date; the remaining or unused amount can be applied to the fresh booking, with any additional cost borne by the passengers.

Due to bad weather or any other reason, the cost of extra accommodation is borne by the guest directly.

PAYMENT & GENERAL TERMS

A 50% deposit of the tour cost is required to process and confirm the booking. The balance is payable 15 days before the departure date.

Passengers may only board or begin the tour after completing full and final payment.

Bookings can be rescheduled to a later date subject to availability with a 10% additional fee, if requested at least 15 days before the journey date. Rescheduling requests within 15 days are treated as cancelled and a fresh booking is made subject to availability.

Any changes in applicable taxes, government levies, royalties or BKTC charges will result in an adjustment of the tax amount, charged accordingly.

Disputes relating to the legality, interpretation, application or performance of the service or its terms are subject to the laws of Uttar Pradesh jurisdiction.

CARRIAGE BY AIR ACT, 1972

Carriage is subject to the operator's regulations relating to the conditions of Non-International Carriage (Passenger and Baggage) framed in accordance with The Carriage by Air Act, 1972 and the notification regarding application of carriage which is non-international. Liability for damage sustained in the event of death or wounding of a passenger, any other bodily injury, or damage to registered baggage during carriage by air is governed by sections 4, 5, 6 and the rules contained in the Second Schedule of the Carriage by Air Act 1972, with exceptions, adaptations and modifications as notified by the Government of India, Ministry of Civil Aviation, and as amended from time to time.
